## Experience

### AIC SOA FOUNDATION

1 year 3 months

#### Technical Lead

June 2024 - Present (3 months)

Bhubaneswar, Odisha, India

In this role, I lead a team of developers and engineers to drive technical innovation and project execution. My responsibilities include overseeing project planning and delivery, providing mentorship and technical guidance, defining technical strategies, collaborating with faculty and partners, and promoting a culture of entrepreneurship and innovation within the organization.

#### Media team

June 2023 - June 2024 (1 year 1 month)

Bhubaneswar, Odisha, India

As a Media Team Member, I focused on designing posters, creating content, and contributing to decision-making for reels and videos. My role involved crafting visual and written materials to promote AIC activities and events, ensuring effective communication and engagement within the organization.

### CODEX

1 year 7 months

#### Core design team

February 2024 - Present (7 months)

Bhubaneswar, Odisha, India

As a Core Member of the Design Team in CODEX, I was responsible for creating visually compelling graphics and materials to support the club's activities and events. My role involved designing event posters, social media content, and promotional materials, ensuring our visual communication was engaging and effective. I collaborated closely with other members to maintain and enhance the club's prestigious image and foster a strong sense of community among coding enthusiasts.

#### Member

February 2023 - Present (1 year 7 months)

Bhubaneswar, Odisha, India

As a member of CODEX, the oldest and most prestigious coding club at our institution, I engaged in advanced coding projects and collaborative problem-solving activities. Being part of this elite group, I had the opportunity to work on cutting-edge software development tasks, participate in coding competitions, and contribute to the club's legacy of excellence in programming and innovation.

## GDSC

### Design team

August 2023 - Present (1 year 1 month)

Bhubaneswar, Odisha, India

As a Core Member of the Design Team at GDSC, I was responsible for creating visually appealing graphics and materials to support club activities. My role included designing event posters, social media graphics, and presentation slides, as well as collaborating with other team members to enhance the overall visual identity of the club. I played a key part in ensuring our designs effectively communicated our message and engaged our audience.
